MY AUTOBIOGRAPHY is revealing, endlessly entertaining and above all inspirational.

Alex Ferguson, once king of Scottish football, gave up the easy life in Aberdeen to follow in the famous footsteps of Sir Matt Busby. Others had flickered and then faded in the shadow cast by the legendary Busby but Ferguson couldn't resist the call. 'Football is a strange obsession. Winning is a drug and when I got the invitation to manage Manchester United I simply could not resist,' he says. For nearly six years he has chased the end of the rainbow and spent millions of pounds to bring the coveted championship to Old Trafford for the first time in 25 years. Now he feels it is time to tell the inside story of the best-supported club in Britain and his struggle to fulfil the title dream of thousands of supporters. He found the famous club in disarray and he admits he came close to the sack himself. 'No manager is prepared for the job at Old Trafford. The legend is huge. It's different from any other club with its traditions and expectations. It took me three or four years to understand the particular politics and demands. Only through success can a manager get control of his destiny.' Ferguson fought his battles and won the trophies which slowly but surely see him now established as a manager who has laid the old ghosts to rest and created a new vision. Winning the FA cup in 1990

bought him valuable time, and success in the European Cup-Winners' Cup, beating Barcelona in a memorable final in Rotterdam, gave him the right platform for the most convincing championship challenge since the days of Busby. After seven years at Aberdeen, Ferguson wrote *A Light in the North*, an account of how he broke the Glasgow stranglehold on Scottish football. Now comes the sequel of how he conquered English football at the helm of their greatest club.

'One of the World's all-time great leaders' Professor Anita Elberse, Harvard Business School What does it take to lead a team to world-class success over a sustained period of time? teach in a classroom, or work in a small team, LEADING will help you become a better leader.

This is the autobiography of Alex Ferguson - he runs the Manchester United Football players with a rod of iron, but is respected for his managerial style and for the way he cares for the welfare of his players.

Ferguson's own autobiography was a great bestseller on its publication in 1999. But Fergie's book told the story through only one pair of eyes. Now, Michael Crick, acclaimed biographer of Jeffrey Archer, writes the first fully rounded, independent portrait of Sir Alex. From his roots as a Govan trade unionist to the current peaks of world football, Crick applies the same forensic skills he applied to his study of the disgraced Tory peer. Through hundreds of interviews with those who've known and worked with Sir Alex, and delving back through the archives, Michael Crick explores the money and the politics of football, the bust-ups, the fights, and those memorable moments of glory. Charismatic and charming, volcanic and ruthless, searingly ambitious and astonishingly successful. What makes Sir Alex Ferguson tick? How did this complex character become the most successful manager in British football, producing -- first at Aberdeen and now at Manchester United -- two of the most prolific trophy-grabbing machines in the modern game? THE BOSS is essential reading not just for Manchester United fans and football followers in general, but for anyone interested in the skills of successful management.
