Golgafrincham was a planet, once home to the Great Circling Poets of Arium. The descendants of these poets made up tales of impending doom about the planet. The tales varied; some said it was going to crash into the sun, or the moon was going to crash into the planet. Others said the planet was to be invaded by twelve-foot piranha bees and still others said it was in danger of being eaten by ...

The Story of B is a 1996 philosophical novel written by Daniel Quinn and published by Bantam Publishing. It chronicles a young priest's movement away from his religion and toward the environmentalist teachings of an international lecturer known as "B". The Story of B expands upon many of the philosophical ideas introduced in Quinn's 1992 novel Ishmael, and acts as the spiritual successor to both this book and My Ishmael, also written by Quinn.
