Communication Rx Transforming
Healthcare Through
Communication is a two-way
process and it can improve health
diagnoses, treatment schema,
patient compliance and success
and other things. In the U.S., it
may grab a healthcare
professional's attention to note
that good communications can
reduce errors, which in turn can
reduce malpractice risks and all
the costly unpleasantness that
follows.

ACH Book Communication RX

"Composed of brief readable chapters richly illustrated with vignettes, Communication Rx offers practical guidance across a wide range of topics, ranging from the timeless fundamentals of communication and relationship skills to current state-of-the-art topics such as electronic records and culture and diversity. What's more, it goes well beyond patient-clinician relationships to look at communication on healthcare teams and organizational culture.
