The Drawer Boy is yet another of this year's many prominent productions of plays with all-male casts. It's beginning to seem as if there's something in the Zeitgeist -- or, at least, in the air...

~~The Drawer Boy | TheaterMania~~

"The Drawer Boy is a beautifully written play. It moves from toughness and hilarity to something devastating and tender. By taking off from an earlier Passe Muraille Drama, The Farm Show, and seeing that theatrical event from a new angle, it is one of the few plays to create an authentic tradition in our culture."

The Drawer Boy is a sparse, small-scale affair smartly told that takes the bare essences of good filmmaking—a good story, strong actors, and a sense of cinematic space—and bundles them together like a sturdy bale of wheat. It’s nice to have a Canadian film to get excited about again.

Cast number: 3.

In the last decades of the twentieth century, North American drama has powerfully enacted the problematic notions of cultural memory and identity, as the essays assembled in this critical anthology demonstrate. Echoing Derrida's non-essentialist interpretation of the term «signature», this collection provides an innovative focus on North American theatre and drama as a site of latent cultural memories. In this volume, the concept of cultural memory offers a privileged vantage point from which to redefine issues of diasporic identities, exilic predicaments, and multi-ethnic subject positions at the dawn of a new century. Playwrights examined here include noted Canadian and US artists such as Marie Clements, Eva Ensler, Lorraine Hansberry, Tomson Highway, Cherríe Moraga, Djanet Sears, Guillermo Verdecchia, August Wilson, and Chay Yew, to cite but a few. In the process of remembering, North American dramatists develop new aesthetic modes in which the signatures of the past merge with the present and foreshadow an imagined future.

City Stages combines primary archival research with the scholarly literature emerging from both the humanities and social sciences.

Shelley has to pick up the socks she’s left all over her room. But when she opens her sock drawer, a tiny troublemaking boy appears. She has to make her bed, but there he is again, underneath the sheets watering a tomato plant. Soon enough this tiny terror is making a mess all over the house and Shelley’s efforts to get rid of him only make him grow bigger. The solution, to everyone’s surprise, is banishment by hugs and kisses! A newly designed Classic Munsch picture book introduces this charming tale of a tiny, yet persistent interloper to a new generation of young readers.

A young actor from the big city lives with two aging bachelor farmers to gather stories about rural life. The farmers' lives are irrevocably altered when art attempts to imitate life and the line between truth and fiction is crossed.

Winner of the 1999 Governor General's Literary Award for Drama

In *Performing Autobiography*, Jenn Stephenson presents an innovative new approach to autobiography studies that links the growing field of research to drama. Stephenson's analysis engages with performance histories to demonstrate the extent to which the dramatic form, which recasts autobiography as ambiguously fictive, ensures that the experience of the plays remains open to revision, alteration, and interpretation. As such, *Performing Autobiography* understands this form not to be the impossible documentation of the backward-looking narrative of one's life, but rather an evolving process of self-creation and transformation. Stephenson explores the autobiographical form by analysing seven works by Canadian playwrights written and performed between 1999 and 2009, including Judith Thompson's *Perfect Pie*, Daniel MacIvor's *In On It*, and Timothy Findley's *Shadows*. Her analysis encourages us to see autobiography as a uniquely political act, one that, where enacted on stage, illustrates the variety of ways that self-reflection and interpretation has an expanding role in contemporary culture.

Reproduction of the original: *Beaumont and Fletcher: A Wife For A Month, the Lovers Progress , the Pilgrim, ...* by A.R Waller

Reproduction of the original: *Beaumont and Fletcher* by A.R. Waller

Set in 1916, three young women from the Scottish Women's Hospital are sent to the Russian front to support the war effort. Ailsa is working class and determined to make an impression on her superiors, Millicent is a self-confessed hedonist and Lily is searching for her lost husband. Unprepared for what they witness, each must find a way of coping as they fight to survive an experience that will change them forever. Poetic, visionary and startlingly written, Abigail Docherty's historical play is based on actual diaries of young Scottish nurses who experienced the Great War. Often darkly funny and raw in its emotions, *Sea and Land and Sky* is a gripping and sensual tale of youth, war, memory - and the power of love. *Sea and Land and Sky* is boldly inventive, blackly comic, and starkly savage.
