## Heavy Equipment Serial Number Guide – Top Bid

Serial Box is your go-to Heavy Equipment Serial Number guide. At Serial Box, we believe the first step in buying construction equipment related to the construction industry, such as Caterpillar, Komatsu, John Deere and Bobcat is validating the machine ' s serial number. The team at Serial Box has worked over the course of the last year to compile and validate one of the largest collections of serial numbers in the world. The concept for Serial Box began many years ago while trying to solve ...

The Serial Number Guide is the leading source for year-of-manufacture data on all major and hard-to-find construction equipment. This means you get over 50 years of serial number information from...

## Our new Serial Number Guide app lets you ... - Equipment World

Serial number lists almost always show the production year, not the actual calendar year the tractor was built. This information is generally more useful, because major changes would have been made to a model at the start of the production year, not on January 1. Read the number carefully On older tractors, the serial number plate has often faded.
