A detailed look at how Warren Buffett really invests In this engaging new book, author Prem Jain extracts Warren Buffett's wisdom from his writings, Berkshire Hathaway financial statements, and his letters to shareholders and partners in his partnership firms-thousands of pages written over the last fifty years. Jain uncovers the key elements of Buffett's approach that every investor should be aware of. With Buffett Beyond Value, you'll learn that, contrary to popular belief, Warren Buffett is not a pure value investor, but a unique thinker who combines the principles of both value and growth investing strategies. You'll also discover

why understanding CEOs is more important than studying financial metrics; and why you need an appropriate psychological temperament to be a successful investor. Reveals Buffett's multifaceted investment principles Discusses how Buffett thinks differently from others about portfolio diversification, market efficiency, and corporate governance Highlights how you can build a diverse and profitable investment portfolio With this book as your guide, you'll learn how to successfully invest like Warren Buffett.

“ Vastu Shastra: for a Healthy, Prosperous and Happy life ” is an in-depth study of the ancient Indian Science of Vastu Shastra. This book unearths the various Vastu principles and practices of constructing houses, buildings or workplaces in such a way that there is a harmonious balance between the structure, the nature and the various energies including Cosmic and Electromagnetic forces. This book will help you to:

- Create homes, buildings or any new structure in compliance with Vastu;
- Make your existing homes or flats Vastu compliant including decorating the interiors of the house by ensuring placement of various things as per Vastu;
- Understand ways to help working professionals to make their workplaces Vastu compliant.

This book is a one stop shop as it explains in simple words the various rules and tools for the identification and correction of various Vastu defects. Comparison between Vastu and Feng Shui along with their tools have been explained in simple words for the benefit of the readers. By understanding these principles, the readers will be able to apply Vastu remedies on their own and make their lives stress free, happier, healthier and successful. Though very clearly, we want to strongly iterate that Vastu is not a replacement for hard work, it is just that one 's hard work and efforts will be fruitful and

yield the desired results if one ' s home and workplace are in compliance with Vastu principles.

The book examines the market reaction to mergers and acquisitions (M&A) announcements over a period from 2003 to 2015. Mergers and acquisitions continue to be amongst the preferred competitive options available to the companies seeking to grow fast in the rapidly changing global business scenario. M&A as a growth strategy has received attention from developed as well as emerging economies. It has been extensively used by managers as an expansion strategy and also serves as an important instrument for increasing corporate efficiency. Recently, M&A has grown at a rapid pace, creating a need for research to analyze what drives this phenomenon and how it affects firms and markets. As such, this book evaluates the impact of M&A on short-term abnormal returns as well long-term financial performance. It also assesses the management view concerning the motives for undertaking M&A. In addition, the book investigates the corporate governance practices of the acquiring firms and their impact on the short- term as well as long- term performance of those firms.
