As the popular darling of the junior class and heiress to the five-star Monrovi Inn empire, Kate has both everything and nothing. She's bored with school and life...until she locks eyes with Caleb at a school dance. Caleb is new to Kate's exclusive prep school, and it's clear he doesn't fit in. In fact, he and his dad work in maintenance for Kate's father. And while Caleb knows better than to spend time with the boss's daughter, it seems that every time he tries to back away, something pulls him right back in. When their parents demand that they are to stay away from each other, they learn of a fight between their families that occurred more than fifty years ago. It's a mystery Kate doesn't understand...but a legacy Caleb has endured his entire life. With the world stacked against them, Caleb and Kate will have to walk by faith to find the path that God has planned for them.

volunteers on an organic farm. The hardened landowner has one prevailing rule: If J. D. sees an "illegal," call the border patrol. But when an early morning ride along the fence line leads him to a beautiful young woman named Maria, near death in the desert, his heart pulls him in another direction. Longing to atone for the choices that drove him to Tucson, J. D. hides her and unleashes a chain of deadly events he could never have imagined. Soon they are running from a killer and fighting for their lives. As secrets of their pasts emerge, J. D. realizes that saving Maria may be the only way to save himself.

Sweeping across centuries and into the Aleutian Islands of Alaska's Bering Sea, *And She Was* begins with a decision and a broken taboo when three starving Aleut mothers decide to take their fate into their own hands. Two hundred and fifty years later, by the time Brandy, a floundering, trashy, Latin-spewing cocktail waitress, steps ashore in the 1980s, Unalaska Island has absorbed their dark secret—a secret that is both salvation and shame. In a tense interplay between past and present, *And She Was* explores Aleut history, mummies, conquest, survival, and the seamy side of the 1980s in a fishing boomtown at the edge of the world, where a lost woman struggles to understand the gray shades between heroism and evil, and between freedom and bondage.

After breaking a chain letter, can superstitious Megan find a way to turn her luck around? Meghan McGlinchey is the most superstitious girl in her family—and probably in the entire state of Delaware. When she receives a chain letter from a stranger in Ireland, Meghan immediately passes it on, taking only a tiny shortcut in the directions. But after a disastrous day, made complete by losing the election for class president and embarrassing herself in front of the entire school, Meghan realizes that tiny shortcut was a big mistake. Thankfully, her family was already headed to Ireland on spring break, and Meghan makes it her mission to find the original sender and break her extremely unlucky streak. With the help of an eccentric cast of characters—and one very cute Irish boy—can Meghan figure out a way to stop her bad luck? Or is she cursed forever?
