Want to cover EVERYTHING on the NCLEX-RN? HESI can help! The HESI Comprehensive Review for the NCLEX-RN® Examination, 5th Edition provides a comprehensive, all-in-one review of the information you need to know to not only succeed on the NCLEX-RN exam but also on your program's HESI exit exam. Written in an easy-to-read outline format, this trusted guide breaks down chapters by clinical areas and the concepts emphasized on the NCLEX-RN exam. Rationales are provided for any incorrect answers or areas of weakness to help strengthen your understanding. The companion Evolve website also offers 700 practice questions in both study and exam formats to give you valuable practice using the same electronic testing format you will face on the nursing school exit exam and on the NCLEX-RN exam. 700 NCLEX practice questions on the companion Evolve website include alternate item formats to provide a testing experience similar to the exit and NCLEX exams. Chapters organized by clinical area enables you to easily search for various topics to review. HESI Hint boxes spotlight important clinical information and concepts commonly tested on the NCLEX-RN exam. Critical thinking study questions (with rationales) reinforce key concepts and content. Fill-in-the-blank and prioritizing questions mirror the new alternate item format item types included on the NCLEX-RN exam. Pharmacology tables highlight the need-to-know drug therapy content emphasized on the NCLEX-RN exam. Consistent format and chapter organization make it easy to move between topics when reviewing. NEW! Updated content reflects the latest NCLEX-RN test plan. NEW! Updated medications and nursing interventions have been added based on the latest evidence-based practice. NEW! Revised chapter on pediatric nursing includes an updated immunization chart, referral websites, and new content on children with disabilities and chromosomal and genetic syndromes. NEW! Revised chapter on maternity nursing features updated CPR guidelines and medications for neonatal cardiac arrest, as well as new HESI Hints that reflect new modalities such as fetal cell-DNA analysis and current screening tools. NEW! Revised chapter on psychiatric nursing includes new information on autism spectrum disorders, as well as updates on DSM 5 changes. NEW! Revised chapter on geriatrics features new content on polypharmacy in the elderly, the Geriatric Depression Scale as an assessment tool, the Mini-Cog tool for mental status assessment, and new information on elder mistreatment in various settings.

Second edition titled: Evolve Reach comprehensive review for the NCLEX-RN examination.

HESI Hint boxes highlight important clinical information and concepts commonly tested on the NCLEX-PN exam. Evolve companion website with 550 NCLEX practice questions, including alternate item formats, gives you a testing experience similar to the exit and NCLEX exams. Critical thinking study questions reinforce key concepts and critical content, and include answer guidelines. Chapters organized by clinical area for easy reference. Pharmacology tables summarize the need-to-know drug therapy content emphasized on the NCLEX-PN exam. Consistent chapter organization and format facilitate learning. NEW! Updated content reflects the latest NCLEX-PN test plan. UPDATED! Psychiatric Nursing chapter includes the latest DSM-5 material. UPDATED! Revised HESI Hint boxes align with content updates throughout the text. NEW! Updated review questions correspond with new content.

Rev. ed. of: Evolve Reach comprehensive review for the NCLEX-RN examination / HESI; editors Donna Boyd ... [et al.]. 2nd ed. c2008.

Passing the HESI Admission Assessment Exam is the first step on the journey to becoming a successful healthcare professional. Be prepared to pass the exam with the most up-to-date HESI Admission Assessment Exam Review, 5th Edition! From the testing experts at HESI, this user-friendly guide walks you through the topics and question types found on admission exams, including: math, reading comprehension, vocabulary, grammar, biology, chemistry, anatomy and physiology, and physics. The guide includes hundreds of sample questions as well as step-by-step explanations, illustrations, and comprehensive practice exams to help you review various subject areas and improve test-taking skills. Plus, the pre-test and post-test help identify your specific weak areas so study time can be focused where it's needed most. HESI Hints boxes offer valuable test-taking tips, as well as rationales, suggestions, examples, and reminders for specific topics. Step-by-step explanations and sample problems in the math section show you how to work through each and know how to answer. Sample questions in all sections prepare you for the questions you will find on the A2 Exam. A 25-question pre-test at the beginning of the text helps assess your areas of strength and weakness before using the text. A 50-question comprehensive post-test at the back of the text includes rationales for correct and incorrect answers. Easy-to-read format with consistent section features (introduction, key terms, chapter outline, and a bulleted summary) help you organize your review time and understand the information. NEW! Updated, thoroughly reviewed content helps you prepare to pass the HESI Admission Assessment Exam. NEW! Comprehensive practice exams with over 200 questions on the Evolve companion site help you become familiar with the types of test questions.

This innovative book prepares students for the NCLEX-PN exam with thorough content review and 3,000 practice questions. Silvestri provides readers with information on NCLEX-PN preparation, test-taking strategies and the NCLEX-PN from students' perspectives. A free CD-ROM contains all 1,600 questions from the book plus 1,400 additional questions.

Incorporating the latest test plan, HESI/Saunders Online Review for the NCLEX-RN? Examination, 3rd Edition provides a unique comprehensive review experience with the convenience and interactivity of an online format. Perfect for students looking for a self-paced study tool, it features key nursing content organized by NCLEX Client Needs to prepare you for the NCLEX examination. A diagnostic pre-test taken at the beginning of the course provides you with a study calendar to guide you through the content modules. Each module is followed by a quiz to determine your mastery of the content. A comprehensive exam at the end of the course gives you a breakdown of your strengths and weaknesses. Plus, videos simulate a live review experience and help to clarify difficult concepts.

It's a fun, visual review for the NCLEX! Illustrated Study Guide for the NCLEX-RN® Exam, 8th Edition covers all the nursing concepts and content found on the latest NCLEX-RN examination. A concise outline format makes studying easier, and 2,300 NCLEX exam-style review questions (including alternate item formats) are included to test your knowledge at the end of each chapter and on the Evolve companion website. Written by NCLEX expert JoAnn Zerwekh, this study guide uses colorful illustrations and mnemonic cartoons to help you remember key concepts for the NCLEX-RN exam. UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. UNIQUE! The integrated systems approach incorporates pediatric, adult, and older adult lifespan considerations in each body system chapter. UNIQUE! Appendixes for each chapter summarize medications and nursing procedures for quick reference. Electronic alternate item format questions on Evolve prepare you for the interactive question types on the computerized NCLEX examination, including priority drag-and-drop and hot-spot (illustrated point-and-click) questions. Practice questions on the Evolve companion website are available in both study and quiz modes and separated by content area, allowing you to create a customized review experience based on your personal study needs. Answers and rationales for all review questions show why correct answers are right and incorrect options are wrong. NEW! 2,300 review questions are now included on the Evolve companion website. Two NEW alternate item question types are added: graphic options and questions incorporating audio. UPDATED content reflects the latest NCLEX-RN test plan and incorporated important clinical updates. NEW! Page references to an Elsevier textbook are provided with each question, for further study and self-remediation. NEW! Disorder names are highlighted in color in the index for quick reference. EXPANDED coverage of management of care reflects the increased percentage of this content on the NCLEX-RN test plan.
