international business 3rd third edition

Description. International Business provides a clear and concise introduction to the environment and functions of international business. It explains in straightforward language the economic and financial underpinnings of international trade, the more subtle organisational and cultural issues, and the managerial challenges which face organisations of all types and sizes.

International Business - Pearson

The International Business Environment, Third Edition, begins by setting the global context and evaluating the idea of international industries, the world economy, and the threats and opportunities of global markets. The authors then identify the core issues faced by businesses and the dynamic socio-cultural, technological, political, legal, and ecological environments in which they operate.
