Integrating your marketing efforts with online channels will enable you to discover which strategy or campaign was more appealing to your customers. The results of your marketing efforts are easily traceable as all online marketing tactics require customers to do a trackable action- say, visiting a web page, clicking an ad or even sharing something on social media.

Researchers have found that marketing channel integration has a positive effect on customer loyalty through satisfaction (Frasquet and Miquel, 2017). Moreover, online and offline communication integration has a higher impact and is more cost-effective (Smith and Zook, 2011). Both online and offline marketing have advantage and disadvantages.
