literature. No other bibliography represents the scholarly activities and publications of these fields as completely.

Medicaid is the single largest public health insurer in the United States, covering upwards of 70 million Americans. Crucially, Medicaid is also an

Online Library

Journal De

intergovernmental program that yokes poverty to federalism: the federal government determines its broad contours, while states have tremendous discretion over how Medicaid is designed and implemented.

Where some locales are generous and open handed, others are tight-fisted and punitive. In

Online Library

Journal De

Fragmented

Democracy, Jamila Michener demonstrates the consequences of such disparities for democratic citizenship. Unpacking how federalism transforms Medicaid beneficiaries' interpretations of government and structures their participation in politics, the book examines
