A Factory Kubota Service Manual is the only real choice. When purchasing a new Kubota Tractor, you are provided with a free manual to describe just the operation and service schedule for your Kubota. Those free manuals fall short of the real information and detail you will find in the authentic Kubota Factory Service Manual, or FSM for short.

Kubota Service Repair Manual

A parts, service, and operator ' s manual can help you evaluate the current condition of any used Kubota tractor. The first thing you first need to assess is the hydraulic system (which is also called the three-point hitch). With a manual, you can then identify how it works, and you can also see if it is still in good condition.
