The Isuzu D-Max is a pickup truck manufactured since 2002 by Isuzu Motors. The Chevrolet Colorado name is also applied to a rebadged version of the D-Max in the Middle East and Thailand, although not identical to the American version. The original D-Max is sold alongside the Chevrolet Colorado in the Thai market where they are both built. In Australasia between 2003 and 2008, the D-Max was ...

~~Isuzu D-Max — Wikipedia~~

The Isuzu D-Max is capable of over 40.4mpg combined and meets Euro 6 emissions standards without the need for AdBlue. 5 YEARS PEACE OF MIND Industry-leading Isuzu 125,000 mile/5 year warranty (whichever comes first)

"You can be lonely anywhere, but there is a particular flavor to the loneliness that comes from living in a city, surrounded by thousands of strangers. The Lonely City is a roving cultural history of urban loneliness, centered on the ultimate city: Manhattan, that teeming island of gneiss, concrete, and glass. What does it mean to be lonely? How do we live, if we're not intimately involved with another human being? How do we connect with other people, particularly if our sexuality or physical body is considered deviant or damaged? Does technology draw us closer together or trap us behind screens? Olivia Laing explores these questions by travelling deep into the work and lives of some of the century's most original artists, among them Andy Warhol, David Wojnarowicz, Edward Hopper, Henry Darger and Klaus Nomi. Part memoir, part biography, part dazzling work of cultural criticism, The Lonely City is not just a map, but a celebration of the state of loneliness. It's a voyage out to a strange and sometimes lovely island, adrift from the larger continent of human experience, but visited by many - millions, say - of souls"--

Focuses on organisational goals and those of other stakeholders and society at large. This book provides an insight into the potential benefits and pitfalls, expectations and concerns of advancing a critical view of HRD in practice. It is intended for lecturers, students and practitioners who are aching for a critical analysis.

When monsters appear on Earth, Maggie MacKay is on the job. No one is better at hauling the creepy crawlies back where they belong. No one, that is, except Maggie's dad, who vanished in the middle of an assignment. Now, an elf named Killian has shown up with a gig. Seems Maggie's uncle teamed up with the forces of dark to turn Earth into a vampire convenience store, serving bottomless refills on humans. Ah, family... The only hope for survival lies in tracking down two magical artifacts and a secret that disappeared with Maggie's dad. WARNING: This book contains cussing, brawling, and unladylike behavior. Proceed with caution.

Cambridge Literature is a series of literary texts edited for study by students aged 14-18 in English-speaking classrooms. It includes novels, poetry, short stories, and essays. The series is extensive and open-ended, and provides school students with a range of edited texts taken from a wide geographical spread. It includes writing in English from various genres and differing times. Moments of Madness is edited by Frank Myszor, Lecturer in English, Itchen Sixth Form College, Southampton.

Anita Lahey 's second collection, Spinning Side Kick, is a hard-knuckled look at the other half. These lively poems mix a girl-about-town cockiness with an

all-too-rare emotional honesty about men, love, and relationships. Whether the subject is a one-man chimney demolition, the lifelong fidelity of seahorses, a lover at war in Afghanistan or a kickboxing match, Lahey confronts the enduring disconnect between the sexes in a language that is slangy and quick, punctuated with jabs. She eyes those moments – in a day, in a life – when the normal clues we rely on disappear, shifting the line between domesticity and danger. In *Spinning Side Kick*, a talented poet returns with sharper aim.
