This is the first part of the study guide for Mr. Pearson's 3rd grade Science Class. The material covers what can be found on the Matter test.

Matter Study Guide Part 1

The idea here is to have students create "Make and Take" study guide materials for the Matter Unit. We have them create a folder for each science unit. Here is their unit cover for matter. It is glued onto a simple pocket folder. Inside it they will place all their Matter work to take home to study. I collect them and keep them in the classroom.

Third Grade Thinkers: Matter: Make and Take Study Guides

SCIENCE is a way of learning about what is in the natural world, how the natural world works, and how the natural world became to be the way it is. Science relies on testing ideas with evidence gathered from the natural world. Science can lead to technological advances, as well as helping us learn about enormously important and useful topics, such as our health, the environment, and natural ...
