NFHS  
High School Today, "the national voice of education-based athletic and fine arts activities," is the newest NFHS publication. The slick four-color, magazine format publication addresses national issues in high school activity programs as well as professional development articles for athletic directors, principals, superintendents and school board presidents.

Publications - NFHS  
A new hockey field is a major investment therefore it is important that it meets the expectations of hockey players, associations and clubs. To help ensure good quality fields are built for all levels of play, from elite level competition to community development, the FIH has developed its internationally recognised quality-assurance programme - the FIH Quality Programme for Hockey Turf.
