#1 NEW YORK TIMES BESTSELLER □ NOW A NETFLIX ORIGINAL SERIES With a career, a boyfriend, and a loving family, Piper Kerman barely resembles the reckless young woman who delivered a suitcase of drug money ten years before. But that past has caught up with her. Convicted and sentenced to fifteen months at the infamous federal correctional facility in Danbury, Connecticut, the well-heeled Smith College alumna is now inmate #11187-424—one of the millions of people who disappear “down the rabbit hole” of the American penal system. From her first strip search to her final release, Kerman learns to navigate this strange world with its strictly enforced codes of behavior and arbitrary rules. She meets women from all walks of life, who surprise her with small tokens of generosity, hard words of wisdom, and simple acts of acceptance. Heartbreaking, hilarious, and at times enraging, Kerman's story offers a rare look into the lives of women in prison—why it is we lock so many away and what happens to them when they're there. Praise for Orange Is the New Black “Fascinating . . . The true subject of this unforgettable book is female bonding and the ties that even bars can't unbind.”—People (four stars) “I loved this book. It's a story rich with humor, pathos, and redemption. What I did not expect from this memoir was the affection, compassion, and even reverence that Piper Kerman demonstrates for all the women she encountered while she was locked away in jail. I will never forget it.”—Elizabeth Gilbert, author of Eat, Pray, Love “This book is impossible to put down because [Kerman] could be you. Or your best friend. Or your daughter.”—Los Angeles Times “Moving . . . transcends the memoir genre's usual self-centeredness to explore how human beings can always surprise you.”—USA Today “It's a compelling awakening, and a harrowing one—both for the reader and for Kerman.”—Newsweek

Examining *Orange Is the New Black* from a number of feminist perspectives, the contributors cover topics such as gender, race, class, sexuality, transgenderism, mass incarceration and the prison industrial complex, disability, and sexual assault.

Discovering George Michael's Faith confirmed for David Crabb what every bully already knew: he was gay. What saved him from high school was finding a group of outlandish friends who reveled in being outsiders. David found himself enmeshed with misfits: wearing black, cutting class, staying out all night, drinking, tripping, chain-smoking, idolizing the Pet Shop Boys—and learning lessons about life and love along the way. Richly detailed with nineties pop-culture, and including black-and-white photos throughout, Bad Kid is as laugh-out-loud funny as it is poignant. David Crabb's journey through adolescence captures the essence of every person's struggle to understand his or her true self.
