INSTRUCTIONS

MANUAL Pdf ...

Panasonic's entry-level 3D Blu-ray players are pretty hard to top, with the BDT110 and BDT310 getting ten stars between them. As you can probably guess from the model numbers, the BDT210 nestles neatly in the middle of this trio. The

Online Library Panasonic Dmp

only real downside is that this player lacks the flexibility of the BDT310s twin HDMI outs.
