Postsocialist Modernity: Chinese Cinema, Literature, and ...

This book examines Chinese culture under the age of market reforms. Beginning in the early 1990s and on into the new century, fields such as literature and film have been fundamentally transformed by the forces of the market as China is integrated ever more closely into the world economic system. As a result, the formerly unified revolutionary culture has been changed into a pluralized state ...

Postsocialist Modernity Chinese Cinema Literature And ...

<p>Postsocialist China is marked by paradoxes: economic boom, political conservatism, cultural complexity. Haomin Gong ' s dynamic study of these paradoxes, or " unevenness, " provides a unique and seminal approach to contemporary China. Reading unevenness as a problem and an opportunity simultaneously, Gong investigates how this dialectical social situation shapes cultural production. He ...
