Research Papers
sheer number of mechanisms—not just financial, but also environmental, physical, and psychological—that may contribute to the persistence of poverty all over the world. The research in this volume explores the hypothesis that

Download Ebook Poverty

poverty is self-reinforcing because the equilibrium behaviors of the poor perpetuate low standards of living.

Contributions explore the dynamic, complex processes by which households accumulate assets and increase their

Download Ebook Poverty

productivity and earnings potential, as well as the conditions under which some individuals, groups, and economies struggle to escape poverty.

Investigating the full range of phenomena that combine to generate poverty

Download Ebook Poverty

traps—gleaned from behavioral, health, and resource economics as well as the sociology, psychology, and environmental literatures—chapters in this volume also present new evidence that highlights both the insights and the

Download Ebook Poverty

limits of a poverty trap lens. The framework introduced in this volume provides a robust platform for studying well-being dynamics in developing economies.

Over the past two decades, the percentage of the

Download Ebook Poverty

Research
Papers

world's population living on less than a dollar a day has been cut in half. How much of that improvement is because of—or in spite of—globalization? While anti-globalization activists mount loud critiques and the media report

Download Ebook Poverty

breathlessly on globalization's perils and promises, economists have largely remained silent, in part because of an entrenched institutional divide between those who study poverty and those who study trade and finance.

Download Ebook Poverty

Globalization and Poverty bridges that gap, bringing together experts on both international trade and poverty to provide a detailed view of the effects of globalization on the poor in developing nations, answering such questions as: Do

Download Ebook Poverty

Research
Papers

lower import tariffs improve the lives of the poor? Has increased financial integration led to more or less poverty? How have the poor fared during various currency crises? Does food aid hurt or help the poor? Poverty, the contributors show

Download Ebook Poverty

Research Papers
here, has been used as a popular and convenient catchphrase by parties on both sides of the globalization debate to further their respective arguments. Globalization and Poverty provides the more nuanced understanding
