Rhubarbis the first novel from a young writer with an astonishing talent. With his sublime and playful use of language and his uncanny ability to reveal the human condition in all its vulnerability and fragility, Craig Silvey has created an extraordinary contemporary Australian story. It is a poignant and tender sort-of-love story about two damaged people tenuously connecting.

Warren is a guide dog with an inflated ego. He has always known that he was destined for great things. He was born with a good heart. He was going to help people. A Working Dog, with Big Responsibilities.

A 2012 Michael L. Printz Honor Book Charlie Bucktin, a bookish thirteen year old, is startled one summer night by an urgent knock on his bedroom window. His visitor is Jasper Jones, an outcast in their small mining town, and he has come to ask for Charlie's help. Terribly afraid but desperate to impress, Charlie follows him into the night. Jasper takes him to his secret glade, where Charlie witnesses Jasper's horrible discovery. With his secret like a brick in his belly, Charlie is pushed and pulled by a town closing in on itself in fear and suspicion. He locks horns with his tempestuous mother, falls nervously in love, and battles to keep a lid on his zealous best friend. In the simmering summer where everything changes, Charlie learns why the truth of things is so hard to know, and even harder to hold in his heart.

The highly anticipated new novel by the bestselling author of Jasper Jones. 'Find out who you are, and live that life.' Late in the night, fourteen-year-old Sam Watson steps onto a quiet overpass, climbs over the rail and looks down at the road far below. At the other end of the same bridge, an old man, Vic, smokes his last cigarette. The two see each other across the void. A fateful connection is made, and an unlikely friendship blooms. Slowly, we learn what led Sam and Vic to the bridge that night. Bonded by their suffering, each privately commits to the impossible task of saving the other. Honeybee is a heartbreaking, life-affirming novel that throws us headlong into a world of petty thefts, extortion plots, botched bank robberies, daring dog rescues and one spectacular drag show. At the heart of Honeybee is Sam: a solitary, resilient young person battling to navigate the world as their true self; ensnared by loyalty to a troubled mother, scarred by the volatility of a domineering stepfather, and confounded by the kindness of new alliances. Honeybee is a tender, profoundly moving novel, brimming with vivid characters and luminous words. It's about two lives forever changed by a chance encounter -- one offering hope, the other redemption. It's about when to persevere, and when to be merciful, as Sam learns when to let go, and when to hold on.

Meet twelve-year-old Liam McKenzie, who patrols his suburban neighborhood as the Masked Avenger—a superhero with powers so potent not even he can fully comprehend their extent. Along with his sidekick, Richie the Powerbeagle, he protects the people of Franklin Street from chaos, mayhem, evil, and low tire pressure on their cars. But when he attempts to rescue a damsel in distress from sadness, instead, he finds a powerful, unlikely friendship. This perfect jewel of a book by Printz Honor Award-winning Craig Silvey will hold all readers in its irresistible power.

In August 1988, Zia gets into the presidential plane, Pak One, which explodes midway. Who killed him? The army generals growing old waiting for their promotions, the CIA, the ISI, RAW, or Ali Shigri, a junior officer at the military academy whose father, a whisky-swilling jihadi colonel, was murdered by the army? A Case of Exploding Mangoes is sharp, black, inventive, and utterly gripping. It marks the debut of a brilliant new writer.

Cryogenicist Dr Georgette Watson has mastered the art of bringing frozen hamsters back to life. Now what she really needs is a body to confirm her technique can save human lives. Meanwhile, in New York City, winter is closing in, and there's a killer on the loose, slaying strangers who seem to have nothing in common. Is it simple good fortune that Georgette, who freelances for the NYPD, suddenly finds herself in the company of the greatest detective of all time? And will Sherlock Holmes be able to save Dr Watson in a world that has changed drastically in 200 years, even if human nature has not?

Sergeant Nick Chester has dodged the Geordie gangsters he once feared and is out of hiding and looking forward to the quiet life. But gold fever is creating ill feeling between prospectors, and a new threat lurks in the form of trigger-happy Americans preparing for doomsday by building a bolthole in the valley. As tensions simmer, Nick finds himself up against an evil that knows no borders and no depths.

A nameless friar turns up at Halfwell Station at the same time that Ana, the adopted daughter of the station owners, discovers a body in the desert during her midnight walk. But when Ana returns to look for it, the body is gone. Death Leaves the Station brings the cosy country-house intrigue of crime fiction's golden age to the Australian wheatbelt, and was written for fans of classic mystery and crime fiction.
