REGIONAL – St Lucia to retire common entrance. (Source: St Lucia News Online) – Several countries in the Caribbean, including Saint Lucia, have decided to retire the Common Entrance Examination, and implement the enhanced Caribbean Primary Exit Assessment (CPEA). The CPEA, introduced by CXC in 2012, will improve the quality of education in primary schools and enable increased literacies necessary for students to benefit fully from secondary school education.

Against a backdrop of a hegemonic, global economic arrangement that has spawned astounding disparities in wealth, this book foregrounds seventeen intellectuals who are engaged in resisting corporate values and in promoting social justice and human dignity. Ranging from socially engaged professors with a track record in grassroots involvement to popular educators, the interviewees challenge the manufactured consent produced by armies of intellectuals organic to dominant ideologies. Public Intellectuals, Radical Democracy and Social Movements reminds us that strategic silence and/or indifference reproduces a common sense arrangement where critical «reading of the world» (Freire, 1987) is relegated to the periphery.

To meet the various needs of students, administrative policies and instructional techniques must consistently be improved upon. This allows schools to deliver a higher quality of education to students. Assessing the Current State of Education in the Caribbean is a pivotal reference source for the latest research on recent developments and innovations for schools in the Caribbean region. Focusing on teacher leadership, learning assessment techniques, and technology uses, this book is ideally designed for educators, school administrators, professionals, and

Saint Lucia Business Law Handbook - Strategic Information and Basic Laws

With rapid technological and cultural advancements, the 21st century has witnessed the wide scale development of transnationalist economies, which has led to the concurrent evolution of language and literacy studies, expanding cross-cultural approaches to literacy and communication. Current language education applies new technologies and multiple modes of text to a diverse range of cultural contexts, enhancing the classroom experience for multi-lingual learners. The Handbook of Research on Cross-Cultural Approaches to Language and Literacy Development provides an authoritative exploration of cross-cultural approaches to language learning through extensive research that illuminates the theoretical frameworks behind multicultural pedagogy and its myriad applications for a globalized society. With its comprehensive coverage of transnational case studies, trends in literacy teaching, and emerging instructive technologies, this handbook is an essential reference source for K-20 educators, administrators in school districts, English as a Second Language (ESL) teachers, and researchers in the field of Second Language Acquisition (SLA). This diverse publication features comprehensive and accessible articles on the latest instructional pedagogies and strategies, current empirical research on cross-cultural language development, and the unique challenges faced by teachers, researchers, and policymakers who promote cross-cultural perspectives.

This publication, written and developed by experienced Caribbean teachers and advisors, has been designed to meet the requirements of maths syllabuses from across the region. It includes worked examples, objectives and explanation boxes, overviews of chapters, real life case studies, assessments and reviews and progressive exercises that support the development of critical thinking skills and independent learning among Caribbean maths students at the lower secondary level.
