By 250 AD, Christianity had spread throughout India and China. Known as the Shining Religion or the Luminous Teaching, it drew adherents from Buddhism and Hinduism who were seeking a faith that taught the possibility of achieving a society founded on love and compassion for their fellow man. The new doctrine reached the island nation of Japan where it was so well received that Christianity threatened to supplant Buddhism as the dominant religion. By the close of the 16th century Japanese Christians numbered in the millions. Fifty years later Christianity was officially proscribed and Christians faced execution for openly practicing their faith. Jesus and the Samurai tells their fascinating story with facts drawn from ancient and modern sources.

Teach violin with the popular Suzuki Violin School. The Suzuki Method(R) of Talent Education is based on Shinichi Suzuki's view that every child is born with ability, and that people are the product of their environment. According to Shinichi Suzuki, a world-renowned violinist and teacher, the greatest joy an adult can know comes from developing a child's potential so he/she can express all that is harmonious and best in human beings. Students are taught using the "mother-tongue" approach. Each series of books for a particular instrument in the Suzuki Method is considered a Suzuki music school, such as the Suzuki Violin School. Suzuki lessons are generally given in a private studio setting with additional group lessons. The student listens to the recordings and works with their Suzuki violin teacher to develop their potential as a musician and as a person. This Suzuki Book & CD (Asian Edition) is integral for Suzuki violin lessons. This revised edition of the Suzuki Violin School, Volume 1 features: \* Revised editing of pieces, including bowings and fingerings \* 16 additional pages \* Additional exercises, some from Shinichi Suzuki, plus additional insight and suggestions for teachers \* Text in English, French, German, and Spanish \* Musical notation guide \* Fingerboard position \* CD with recordings by William Preucil, Jr., accompanied by Linda Perry as well as piano accompaniments recorded alone. Titles: Principles of Study and Guidance \* Twinkle, Twinkle, Little Star Variations
