Story Time - Brave CowboyLet's Sing a Lullaby with the Brave Cowboy **The Brave Cowboy**

The Brave Cowboy (1956) was Edward Abbey 's second published novel. In 1993 Dream Garden Press produced a special limited edition of the book that includes an introduction by Kirk Douglas, who was the star in the film based on the book. It also includes photos from the film. Douglas signed 500 copies of that special edition.

The Brave Cowboy - Wikipedia

A classic of modern Western literature, The Brave Cowboy follows Jack Burns, a loner at odds with modern civilization. He rides a feisty chestnut mare across the New West—a once beautiful land now smothered beneath airstrips and superhighways.

The Brave Cowboy: An Old Tale in a New Time (Harper ...

Jack Burnes is a loner at odds with modern civilization. A man out of time, he rides a feisty chestnut mare across the New West [] a once beautiful land smothered beneath airstrips and superhighways. And he lives by a personal code of ethics that sets him on a collision course with the keepers of law and order.

The Brave Cowboy: An Old Tale in a New Time by Edward Abbey

In Brave Cowboy, Abbey captures the spirit of an antiquated cowboy born in the wrong century, bouncing around the desert of the southwest like tumbleweed; making his way the only way he knows how. Although set in the mid-twentieth century, the tight plot and character relationships are reminiscent of a western of a hundred years earlier.

The Brave Cowboy - Amazon.com

A cowboy takes on the forces of twentieth century tyranny in a tale by “the Thoreau of the American West” that became the classic film Lonely Are the Brave (Larry McMurtry, Pulitzer Prize-winning author of Lonesome Dove). A rugged individualist and sometime ranch hand, Jack Burns has no love for the modern world. He is a man out of time, riding his horse through a Southwestern landscape corrupted by concrete, shopping centers, and superhighways. A stubborn loner, he lives by a personal moral code that often sets him at odds with contemporary society. And he wouldn't have it any other way. When Jack's brazen attempt to free a jailed friend fails, the “anarchist cowboy” becomes an outlaw overnight. Suddenly he and his chestnut mare are racing toward the New Mexican high country with the state police, the military, and the FBI in hot pursuit. His private war against authority has reached a dangerous new level. But if the powerful forces aligning against him think that Jack is going to go quietly, they've got another think coming. The Houston Chronicle called Edward Abbey “a fresh breath from the farther reaches and canyons of the diminishing frontier.” The bestselling author of The Monkey Wrench Gang delivers a stirring tribute to individualism and the vanishing American hero. Brought to the big screen in 1962 as Lonely Are the Brave—a major motion picture starring Kirk Douglas and Walter Matthau—The Brave Cowboy is a moving and thought-provoking fable of the modern American West.

Imaginary adventures with Indians, wild animals, and outlaws keep a little cowboy busy.

This playful picture book with audio from Jan Thomas features a courageous cowboy who croons to his cows before bed—with just a few fearful interruptions. Join the Brave Cowboy as he tries to sing his young calf pals to sleep on a dark, dark night—EEEEEEEK! IS THAT A HUGE HAIRY SPIDER OVER THERE? Oh, it's just a flower? Well then, back to the lullaby. No one does preschool humor with Jan Thomas's wit, verve, and bold, snappy color. And her Brave Cowboy and his silly, interrupted lullaby are sure to get everybody singing-before they head off into cozy dreamland...

Brave Cowboy tries to sing his young calf pals to sleep on a dark, dark night, with humorous results.

A motley crew of saboteurs wreak outrageous havoc on the corporations destroying America's Western wilderness in this classic, comic extravaganza. When George Washington Hayduke III returns home from war in the jungles of Southeast Asia, he finds the unspoiled West he once knew has been transformed. The pristine lands and waterways are being strip mined, dammed up, and paved over by greedy government hacks and their corrupt corporate coconspirators. And the manic, beer-guzzling, rabidly antisocial ex-Green Beret isn't just getting mad. Hayduke plans to get even. Together with a radical feminist from the Bronx; a wealthy, billboard-torching libertarian MD; and a disgraced Mormon polygamist, Hayduke's ready to stick it to the Man in the most creative ways imaginable. By the time they're done, there won't be a bridge left standing, a dam unblown, or a bulldozer unmolested from Arizona to Utah. Edward Abbey's most popular novel, The Monkey Wrench Gang is an outrageous romp with ultra-serious undertones that is as relevant today as it was in the early days of the environmental movement. The author who Larry McMurtry (Lonesome Dove) once dubbed “The Thoreau of the American West” has written a true comedic classic with brains, heart, and soul that more than justifies the call from the Los Angeles Times Book Review that we should all “praise the earth for Edward Abbey!”

"The name's Cougar. Just Cougar. One name is enough." Behind the bravado was a complex man. War hero. "Indian cowboy." Walking wounded in search of answers. Cougar needed to build a new life, and he'd start with what he loved most. Horses. Which brought him to the Double D Wild Horse Sanctuary. And into the orbit of ranch volunteer Celia Banyon and her very special son. The boy had suffered an unspeakable accident, and his mother felt unspeakable guilt. But something about Cougar brought her back from the brink. He represented her chance to be a woman again. Now, suddenly, one name wasn't enough for what they could have if they'd just let themselves. Healing. Love. Family. Forever. In fact, the possibilities were endless...

A New Mexico man faces off against the government in a battle over his land in this novel by the author of Desert Solitaire. After nine months away at school, Billy Vogelin Starr returns home to his beloved New Mexico—only to find his grandfather in a standoff with the US government, which wants to take his land and turn it into an extension of the White Sands Missile Range. Facing the combined powers of the US county sheriff, the Department of the Interior, the Atomic Energy Commission, and the US Air Force, John Vogelin stands his ground—because to Vogelin, his land is his life. When backed into a corner, a tough old man like him will come out fighting. . . . Fire on the Mountain is a suspenseful page-turner by “one of the very best writers to deal with the American West”—the acclaimed author of such classics as The Monkey Wrench Gang and the memoir Desert Solitaire (The Washington Post). “Abbey is a fresh breath from the farther reaches and canyons of the diminishing frontier.” —Houston Chronicle
