The Language of the Night -
Wikipedia

I ' m now reading a collection of essays by Ursula K. Le Guin, " Language of the Night, " and she offers an interesting take on many of these issues from the writer ' s point of view. She acknowledges the appearance of archetypes in her stories, but, with what she considers her best work, the story comes from within her and only after it is written does she recognize the archetype that inspired it:

Language of the Night" is, quite simply, essential reading for any devotee of science fiction and fantasy literature. Among the standout pieces are "The Child and the Shadow" and "Myth and Archetype in Science Fiction," both of which use Jungian psychological ideas to get at the root of fantasy's imaginative power.
