After Matthew 's murder in 1998, members of the Tectonic Theater Project in New York City traveled to Laramie, Wyoming, to interview residents about how the attack on Matt had affected the town. These transcripts were transformed into the play The Laramie Project , which tells the stories of real people who lived at the epicenter of one of the nation 's most heinous anti-gay hate crimes.

The Laramie Project—Matthew Shepard Foundation
The Laramie Project is the first of a two-play cycle, which includes The Laramie Project: Ten Years Later. There is an emerging trend in theaters to produce both plays in repertory, which reflects a powerful response to a world where facts are plastic, where acceptance is despised.

The Laramie Project—Tectonic Theater Project—
Synopsis In October 1998 in the middle of the prairie outside Laramie, Wyoming, Matthew Shepard, a 21 year old student at the University of Wyoming, was tied to a fence post, severely beaten, robbed,, tortured and left, alone, to die. His body -- battered, bloody, barely clinging to life -- was discovered eighteen hours later.

The Laramie Project (Play) Plot & Characters | StageAgent
The Laramie Project is a 2000 play by Moisés Kaufman and members of the Tectonic Theater Project about the reaction to the 1998 murder of gay University of Wyoming student Matthew Shepard in Laramie, Wyoming. The murder was denounced as a hate crime and brought attention to the lack of hate crime laws in various states, including Wyoming. An example of verbatim theatre, the play draws on hundreds of interviews conducted by the theatre company with inhabitants of the town, company members ...

The Laramie Project—Wikipedia
The Laramie Project Act 1 The Laramie Project begins with what is ti- tled, "Moment." It is in this brief section (which is repeated throughout the play) that the members of Tectonic Theater Project read entries from the jour- nals they have kept during the process of inter- viewing the people of Lararnie. This repeated

The Laramie Project—MassResistance
"The Laramie Project" is a documentary-style play created by the Venezuelan playwright Moises Kaufman and members of the Tectonic Theater Project, an experimental company whose work has often touched on social themes. "The Laramie Project" analyzes the death of Matthew Shepard, an openly gay college student who was brutally murdered in Laramie, Wyoming, in 1998 because of his sexual identity.

From the Director: The Laramie Project is a docudrama. Every word in this play was recorded verbatim and then later organized/edited into the final script. As such we are performing the play as written. This means there are characters who use choice language ranging from h-e double hockey sticks to a bundle of sticks.

Auditions for The Laramie Project | GREAT Theatre
The Laramie Project presents a deeply complex portrait of a community 's response to the 1998 murder of Matthew Shepard, a young gay man living in Laramie, Wyoming. In a series of poignant reflections, the residents of Laramie react to the hate crime and surrounding media storm with anger, bewilderment, and sorrow. The play by Moisés Kaufman and the Tectonic Theater Project portrays the seismic and deeply personal impact Matthew 's death had on this small town while also demonstrating the ...
