What would you do on a day off from school? Go on an adventure, of course! Meet Charlie, an eight-year-old boy with a flare for using his imagination. Join him as he turns his snow day into a day filled with fun, excitement, and fantasy. Travel with Charlie to the Wild West, the Amazon jungle, and into outer space. Ride along for the thrills as he becomes a race car driver, a pirate, a cowboy, and even a superhero! With a little creativity (and a basement full of junk), there is no limit to where your imagination can take you!

In today's competitive college admissions environment, even the most successful high school students are looking for an additional edge. Written for high-scoring students who already have ACT fundamentals down pat but want to perfect their scores, ACT Elite 36 focuses on teaching students to avoid common small-but-costly errors that trip up top-scorers, perfect their advanced strategies, and master the toughest ACT material. In late 2015, the ACT plans to debut an online version of this test and a few minor changes (to the optional portions of the exam), which will be addressed in this revision.

A Zen poem is nothing other than an expression of the enlightened mind, a handful of simple words that disappear beneath the moment of insight to which it bears witness. Poetry has been an essential aid to Zen Buddhist practice from the dawn of Zen—and Zen has also had a profound influence on the secular poetry of the countries in which it has flourished. Here, two of America's most renowned poets and translators provide an overview of Zen poetry from China and Japan in all its rich variety, from the earliest days to the twentieth century. Included are works by Lao Tzu, Han Shan, Li Po, Dogen Kigen, Saigyō, Bashō, Chiao Jan, Yuan Mei, Ryōkan, and many others. Hamill and Seaton provide illuminating introductions to the Chinese and Japanese sections that set the poets and their work in historical and philosophical context. Short biographies of the poets are also included.

“The following Essays are, with one exception, written either by members of the Methodist Society for Medical and Pastoral Psychology, or by those who have lectured to the Society's Annual conference and shared its discussions.” – From the Preface
