June 15, 2020 | Kirsty. I picked up Canadian author Jessica J. Lee ' s debut work, Turning: Lessons from Swimming Berlin ' s Lakes during a lovely warm summer ' s day, and it turned out to be the perfect choice. Since very much enjoying Amy Liptrot ' s The Outrun, which is partially a memoir of outdoor swimming, I have been keen to pick up more memoirs along the same theme.

‘ Turning: Lessons from Swimming Berlin ' s Lakes ’ by Jessica ...

This is a beautiful memoir. The author feels depressed and sets herself a challenge to swim in 52 lakes in and around Berlin over the course of a year in the hope of healing a broken heart. Swimming becomes a way for her to find a sense of belonging in a new city and gain an understanding of herself. The book works well in various ways.

Turning: Lessons from Swimming Berlin's Lakes – Burley ...

Turning is about the joys of swimming through the year . . . Jessica brilliantly takes us into the water with her, even on those freezing mornings when she had to use a hammer to smash through the ice to get her fix. It's as much about loss and recovery as it is swimming.

Swimming instructors, who are always present in the pool, teach groups of between 5 and 9 children at a time. The course can be continued until achievement of the conditions for "Seepferdchen". A trial lesson is 25 €, if you register for course the 18h lesson is free of cost.

'The water slips over me like cool silk. The intimacy of touch uninhibited, rising around my legs, over my waist, up to my collarbone. When I throw back my head and relax, the lake runs into my ears. The sound of it is a muffled roar, the vibration of the body amplified by water, every sound felt as if in slow motion . . .' Summer swimming . . . but Jessica Lee - Canadian, Chinese and British - swims through all

four seasons and especially loves the winter. 'I long for the ice. The sharp cut of freezing water on my feet. The immeasurable black of the lake at its coldest. Swimming then means cold, and pain, and elation.' At the age of twenty-eight, Jessica Lee, who grew up in Canada and lived in London, finds herself in Berlin. Alone. Lonely, with lowered spirits thanks to some family history and a broken heart, she is there, ostensibly, to write a thesis. And though that is what she does daily, what increasingly occupies her is swimming. So she makes a decision that she believes will win her back her confidence and independence: she will swim fifty-two of the lakes around Berlin, no matter what the weather or season. She is aware that this particular landscape is not without its own ghosts and history. This is the story of a beautiful obsession: of the thrill of a still, turquoise lake, of cracking the ice before submerging, of floating under blue skies, of tangled weeds and murkiness, of cool, fresh, spring swimming - of facing past fears of near drowning and of breaking free. When she completes her year of swimming Jessica finds she has new strength, and she has also found friends and has gained some understanding of how the landscape both haunts and holds us. This book is for everyone who loves swimming, who wishes they could push themselves beyond caution, who understands the deep pleasure of using their body's strength, who knows what it is to allow oneself to abandon all thought and float home to the surface.

Longlisted for the 2018 Frank Hegyi Award for Emerging Authors “ Jessica J. Lee is a writer of rare and exhilarating grace. In *Turning*, she sounds the depths of lakes

Online Library Turning Lessons From Swimming Berlins Lakes

and her own life, never flinching from darkness, surfacing to fresh understandings of her place in the welter of natural and human history. A beautiful, moody, bracing debut.” —Kate Harris, award-winning author of *Lands of Lost Borders* Through the heat of summer to the frozen depths of winter, Lee traces her journey swimming through 52 lakes in a single year, swimming through fear and heartbreak to find her place in the world Jessica J. Lee swims through all four seasons and especially loves the winter. "I long for the ice. The sharp cut of freezing water on my feet. The immeasurable black of the lake at its coldest. Swimming then means cold, and pain, and elation." At the age of twenty-eight, Jessica, who grew up in Canada and lived in England, finds herself in Berlin. Alone. Lonely, with lowered spirits thanks to some family history and a broken heart, she is there, ostensibly, to write a thesis. And though that is what she does daily, what increasingly occupies her is swimming. So she makes a decision that she believes will win her back her confidence and independence: she will swim fifty-two of the lakes around Berlin, no matter what the weather or season. caution, who understands the deep pleasure of using the body's strength, who knows what it is to abandon all thought and float home to the surface.

This "stunning journey through a country that is home to exhilarating natural wonders, and a scarring colonial past . . . makes breathtakingly clear the connection between nature and humanity, and offers a singular portrait of the complexities inherent to our ideas of identity, family, and love" (Refinery29). A chance discovery of letters written by her immigrant grandfather leads Jessica J. Lee to her ancestral homeland, Taiwan. There, she seeks his story while growing closer to the land he knew. Lee hikes mountains home to Formosan flamecrests, birds found nowhere else on earth, and swims in a lake of drowned cedars. She bikes flatlands where spoonbills alight by fish farms, and learns about a tree whose fruit can float in the ocean for years, awaiting landfall. Throughout, Lee unearths surprising parallels between the natural and human stories that have shaped her family and their beloved island. Joyously attentive to the natural world, Lee also turns a critical gaze upon colonialist explorers who mapped the land and named plants, relying on and often effacing the labor and knowledge of local communities. *Two Trees Make a Forest* is a genre – shattering book encompassing history, travel, nature, and memoir, an extraordinary narrative showing how geographical forces are interlaced with our family stories.

Architecture critic and water baby Christopher Beanland takes a deep dive into the

Online Library Turning Lessons From Swimming Berlins Lakes

fashionable outdoor swimming scene with Lido, profiling the world's best pools with his trademark wit, wisdom and pop culture references. Stylish photography and interviews with fellow lido enthusiasts only further add gloss to Beanland's delightful new book.

Combining personal reminiscence with reflections on the history of the place over the years and through the seasons, for the first time this collection brings together writers' impressions of the Pond.

In the tradition of Lisa Unger's *Beautiful Lies* and Nancy Pickard's *The Scent of Rain and Lightning* comes a twisting, riveting novel of shifting trust and shattered lives. *Lie Still* delves deep into the heart of an opulent Southern town, where gossip is currency and secrets kill. When Emily Page and her husband move from Manhattan to the wealthy enclave of Clairmont, Texas, she hopes she can finally escape her haunted past—and outrun the nameless stalker who has been taunting her for years. Pregnant with her first child, Emily just wants to start over. But as she is drawn into a nest of secretive Texas women—and into the unnerving company of their queen, Caroline Warwick—Emily finds that acceptance is a very dangerous game. It isn't long before Caroline mysteriously disappears and Emily is facing a rash of anonymous threats. Are they linked to the missing Caroline? Or to Emily's terrifying encounter in college, years earlier? As the dark truth about Caroline emerges, Emily realizes that some secrets are impossible to hide—and that whoever came for Caroline is now

Online Library Turning Lessons From Swimming Berlins Lakes

coming for her. Praise for *Lie Still* “ In this engrossing novel of suspense . . . [Heaberlin] expertly spins out a tale of lies and deceit that will keep the reader guessing. ” —Publishers Weekly “ Heaberlin ’ s depiction of one tight-knit Texas community is both culturally savvy and politically astute. . . . A carefully wrapped package of Texas soap opera, social and political expos é , and well-paced thriller. ” —Booklist “ Heaberlin combines a culturally pertinent suspense story (the plot revolves around the main character ’ s struggles with the repercussions of an unreported date rape) with satirical observations about Texas ’ moneyed suburban elite. ” —The New York Times “ *Lie Still* mixes serious discussion about ‘ the last frontier in crime ’ with a twisty-turny mystery plot and a cast of eccentric characters. ” —Fort Worth Star-Telegram “ Reading a book by Julia Heaberlin is like hearing your best friend tell you a particularly thorny story, filled with secrets and intrigue and human hopes and failures. *Lie Still* is a book you want to curl up with for a good long while but, more important, Julia Heaberlin is an author you want to get to know. ” —Jenny Milchman “ Julia Heaberlin weaves an intricate tapestry of secrets and suspense, lies and betrayals that kept me reading late into the night. *Lie Still* is a thriller par excellence and a page-turner, true—but it ’ s also a moving story of one woman ’ s unlikely path toward healing, and another ’ s lifelong search for redemption. I challenge you to visit Claremont, Texas—where nothing is quite as it seems and no one is quite who they claim—and leave unchanged. ” —Emily Colin “ Julia Heaberlin deceives the reader in the most deliciously chilling way in *Lie Still*: With gorgeous prose and sterling character work, she takes us on a deeply felt and wonderfully

Online Library Turning Lessons From Swimming Berlins Lakes

composed thrill ride. Layer after layer of secrets, longing, and deception is peeled away and we begin to dread the twisted kernel at the heart, never guessing what Heaberlin has in store for us. ” —Sophie Littlefield, bestselling author of Garden of Stones

A devoted employee of the FIA (Federal Intelligence Agency), Eurian lives a comfortable and secure life, spanned with bureaucratic conflicts and desires for promotion. He will find himself thrust into an international conflict to track down and stop a subversive cyberterrorist movement. His desire for a foreign assignment will finally be met, but not in the way he expected. Assigned to Kerploueck, a sleepy village at the far edge of the world, he will be forced to let go of the comfort and stability of his previous lifestyle. With this temporary assignment, the complacent bureaucrat finds himself a spy-but with none of the excitement and adventure he had dreamed of. He now must find new objectives to survive this wholly uninteresting assignment. What happens to the FIA and to the success of the worldwide search for the subversive cyber-terrorists will slowly drift away from Eurian's mind.

Interestingly enough, when this book was started, internet spying, hacking, and cyberterrorism were rhetorical discussions. Today, we live in a different reality. Truth and facts are not as important as swaying unmindful, gullible populations. George Orwell's "alternative facts" are common place and universally acceptable. With the ocean of information now accessible to anyone, individuals, organizations, and even governments are scrambling to control its sources and promulgate their

Online Library Turning Lessons From Swimming Berlins Lakes

agendas. This is the essence of "The Happy Fools." Following Eurian and his unanticipated quest for truth, many topics of modern society will be discussed. This book also serves as a compendium of the latest technologies, sciences, ideas and movements. Focusing primarily on the most pertinent latest developments, each providing hope and insights that could change our lives. The underlying prerequisite of being happy is to avoid stress and the unknown. Therein lies a potential philosophical issue. Shutting the doors to outside turmoil, to world problems and issues, is a good safeguard for happiness. Close-mindedness brings confidence, as the world's problems appear simple and the solutions two-sided. Inversely, knowledge creates a spirit of inquiry, a burning desire for more knowledge, spurring new questions that beg for answers, ultimately resulting in a loss of conviction and an understanding that we will never truly understand the world in its endless complexities. Do we choose closed-minded confidence, or a life dedicated to the pursuit of knowledge with the uncertainties, frustrations, and complexities that it yields?

In a story set against the backdrop of Dublin in 1915, two boys who meet at the local swimming hole plan to swim to an island in Dublin Bay the following Easter, but their plans coincide with the Easter uprising--a historic rebellion that changes their li

An “entertaining and thought provoking” WWII-era novel of love, war, and sports, told with “a superb sense of character and period” (Publishers Weekly, starred

Online Library Turning Lessons From Swimming Berlins Lakes

review). At the 1936 Berlin Olympics, American swimmer Sydney Stringfellow finds herself falling in love with Horst Gerhardt, a dashing young German. When the rising tide of global conflict tears them apart, Sydney returns to America, where she finds love again—in the arms of Jimmy Branch, an American man who takes her hand in marriage before shipping off to fight in World War II. And that is when Horst reappears in Sydney ' s life, drawing her into a dilemma of passion, betrayal, and espionage. With *Bliss, Remembered*, the celebrated Frank Deford has produced “ a work of enthralling historical fiction ” that ranks with the best of his novels, including *Everybody ' s All American*, which *Sports Illustrated* ranked as one of the twenty-five best sports books of all time (*Library Journal*, starred review).

Sam and the Frog is a 30 page beginning reader book for preschoolers. Sam and the Frog are in a competition to see who can outdo the other. Who can hop, eat, swim, smile, or wave the best? Why does the frog think Sam won? Students will laugh at the comical cartoon drawings. *Sam and the Frog* is an easy book to read for emergent readers. The repetitive phrases help students to feel successful. This amusing book makes learning to read fun.
