Beyond great basketball players developed their superstar flair, they built a solid base of fundamental skills in all phases of the game. Basketball Skills and Drills provides a blueprint for building the foundation that every well-rounded basketball player needs. The book also covers key team principles for both ends of the court. Tactics for offense, including special situations such as out-of-bounds plays, will improve spacing, ball and player movement, shot selection, and scoring. Defensive tactics emphasize positioning, pressure, and various systems to apply in each area or level of the court.

This book is the first in-depth study of the still life as interpreted and transformed by avant-garde artists of the 20th century. Published to accompany a major exhibition opening in May 1997 at The Museum of Modern Art, New York, Objects of Desire traces a radical rethinking iof the genre ion terms of subject matter and formal invention.Through unprecedented juxtapositions of works by 56 artist, Objects of Desire profiled the changing cultural values that are patently evident in the still life, reflected in the choice of objects -- from pitchers to bicycle wheels to soup cans -- and their perceptual or conceptual, objective or subversive representations.

Provides new ways parents and teachers can build self-control, self-esteem, and self-reliance by teaching the skills required to govern a family, classroom or group more democratically, less autocratically.
